

LETTER TO PARENTS: *Children & Youth Personal Safety Program*  
Primary Grades (K-2)

Place on parish or school letterhead

(Date)

Dear Parents,

The safety of your children is always uppermost in your mind. We have taken many steps in recent years to do our part in ensuring that your children will be in a safe place when they are participating in a program in (your parish or school). All of our staff and volunteers have received the required background checks and training. We have implemented a program to help your children recognize the steps they can take to keep themselves safe. Lesson plans have been prepared for different age groups among the students. [We are also providing information materials (enclosed) for you that may help you with matters that can affect your own child or children's safety.] [You may also find two very useful publications on the internet as follows:

“Know the Rules” <https://safe.dosafl.com/wp-content/uploads/sites/24/2019/10/KnowtheRulesQChild-Safety.pdf>

“25 Ways to Make Kids Safer” <https://safe.dosafl.com/wp-content/uploads/sites/24/2019/10/Take-25-Safer.pdf>

We strongly encourage you to download these two items. You are encouraged to spend some time reviewing this information, and then sitting down with your children. Our goal is to equip you and your children with the knowledge that can help to keep them safe.

Media influences are very much a part of the life of young people, even your primary- aged child. It is extremely important for parents to monitor the movies watched, the books read, and especially computer use of their children. Computers and other media devices should have safe guards on them and be accessible to parents for the safety of their children. Computers should be in a “public” area of the home under the watchful eye of parents.

The basic point is that parents need to be involved with their children. The more you know about the daily events of your children's lives, the better you are able to spot danger signs that may surface. The more regular your communication with your children, the freer they are to come to you with their concerns.

May our Lord bless you and your family.

Sincerely yours,

/S/

(Pastor, DRE, Youth Director or Principal)
